What is Orienteering

A competitive or non-competitive recreational activity in which participants use a map and compass to navigate between checkpoints along an unfamiliar route. **Scatter run: visit as many checkpoints as you can in your allotted time**

COVID-19 Precautions

- Screening questionnaire must be answered on entry and you may also be required to provide additional information on the day.
- Masks to be worn at all times except while out running your course.
- There will be no registration table, proceed directly to the start where you will be checked in by the official on duty.
